\*\*\*The Grit Platinum VIP Banking service is a prepaid account, not a traditional interest-bearing checking or savings account, and is designed to encourage savings deposits through a rewards program funded exclusively by Grit. The Grit Platinum VIP Banking service offers APY rewards on eligible balances at a rate that may change at any time at the sole discretion of Grit. Rewards are calculated daily based on the end-of-day balance, using the actual number of calendar days in the year, and are rounded to the nearest cent. These rewards are applied only to account balances up to \$10,000. By promoting savings behavior through this innovative rewards structure, the Grit program stands apart as an initiative rather than a conventional interest-based offering.
